It is the belief at Town Creek Christian Academy that man lives his life as a response to God; therefore, an education that weaves God's Word and the Bible, into the daily curriculum is necessary. His Word is the filter for clarity, the level for finding balance, and the final check for Town Creek's goals. Christian education is founded upon the Word of God. Town Creek Christian Academy believes that the Bible is the inspired, infallible and sufficient Word of God providing the standard for living a life of significance and meaning.

*TCCA serves as a tool for communicating and facilitating His Word as we assist students in their spiritual transformation process. As Christians, we are to present ourselves as a living sacrifice and avoid the temptations of the world by "...being transformed by the renewing of the mind in order to prove what is that good, acceptable, and perfect will of God" (**Romans 12:2**).*

In obedience to the Word of God, students educated at TCCA will be educated in Christ-centered, academic excellence, established in a Biblical worldview, thus equipping students for service to our community and our world. We view each family, student and staff as unique creations and necessary to fulfill the goals and mission of TCCA.

I understand Town Creek Christian Academy is a private Christian school. I have read the Parent/Student Handbook and am in agreement with the teachings of the Academy.
